## IV-4.1 General

(Amended 8/18)

Effective August 2018, this policy has been revised. For the most current version without redlining, return to [IV-4 Student Organizations](#).

Recognized campus student organizations are **recognized, defined, and regulated** in **Section III** of the current version of Policies and Regulations Affecting Students.

All campus student organizations, ~~other than those given written authorization by the Office of the Dean of Students,~~ are required to deposit all receipts in, and make all disbursements through, the **University Student Organization Business Office, under the supervision of the Business Manager of Student Organizations Fraternity Business Services, or Recreational Services**. External financial accounts are not allowed unless approved by the Vice President for Student Life.

Further, all recognized student organizations must comply with IMU Administration policies and procedures, as well as the policies and procedures governing the use of on-campus facilities and space.
