## VI-29 – Family Services

(3/02; 9/02; 6/05; 8/06; 4/07; 9/16)

Effective September 2016, this policy has been revised. For the most current version without redlining, return to [VI-29](#).

The University of Iowa Family Services Office provides programs, information, and referral assistance to faculty, staff, and students regarding their individual and family-related needs. The office programs offered can help faculty, staff, and students to identify University and community services and resources. In addition, the office is Family Services staff are familiar with family-related University of Iowa policies. Specific programs and services of the office include:

- a. Child care and school-age child care, and spring break and summer camp resources,
- b. Elder care,
- c. Guidance for supervisors of new parents,
- d. On-campus lactation resources,
- e. Web-based adoption resources,
- f. Services to student families,
- g. Flexible work arrangements, and
- h. Resource and referral.

For further information, see the Family Services website at <https://hr.uiowa.edu/family-services/> or contact the Family Services Office, 121 University Services Building.
